

# HARMONY

Healthcare Alliance for Resourceful Medicines  
Offensive against Neoplasms in Hematology

## Becoming a HARMONY Associated Member

Co-operative working groups, hospitals and academic institutions are invited to collaborate and contribute data to the HARMONY Alliance

### About us

The HARMONY Alliance is a public-private European Network of Excellence, established in January 2017

Our mission is to harness and mine Big Data on blood cancer to speed up the development of more effective treatments for patients. We currently have 53 Partners, 41 Associated Members and 7 Patient Organizations from across 18 countries in Europe.

### What can we offer you?

By becoming an Associated Member of HARMONY, you can:

- Submit research proposals for HARMONY's 7 blood cancers;
- Become a members of a dedicated research group that includes skilled data scientists;
- Contribute to scientific publications under the umbrella of HARMONY;
- Be compensated for your efforts in sharing your data;
- Contribute to improving outcomes for individuals with blood cancer.

### How can you join?

Follow the steps below to join HARMONY and become an Associated Member:

#### Step 1

**Email us** to express your interest.

#### Step 2

Your institution's legal representative signs the 'Associated Member Engagement Framework' agreement.

#### Step 3

Use a Data Dictionary to describe the data you wish to contribute to the HARMONY Big Data Platform. HARMONY will then estimate compensation for your invested efforts.

#### Step 4

Your institution's legal representative signs the 'Associated Members Data Sharing' agreement.

#### Step 5

Welcome to the HARMONY Community. Start sharing your data!

Contact us to express your interest today!

HARMONY Alliance is funded through the Innovative Medicines Initiative (IMI), Europe's largest public-private initiative aiming to speed up the development of better and safer medicines for patients. HARMONY has received funding from IMI 2 Joint Undertaking and is listed under grant agreement No. 116026. This Joint Undertaking receives support from the European Union's Horizon 2020 Research and Innovation Programme and the European Federation of Pharmaceutical Industries and Associations (EFPIA). IMI supports collaborative research projects and builds networks of industrial and academic experts in order to boost pharmaceutical innovation in Europe. © 2020 HARMONY Factsheet
